

NOW WE ARE TALKING!

Following customer feedback C-Tecnicas launch an addition to their portable diver communications range, the C-Phone 1. This light rugged unit will allow communication for one diver with the ability to use 2 or 4 wire modes. Manufactured in the UK with C-tencics in-house designed communication PCB boards. Supplied with a hand held PTT mic but fully compatible with C-Tecnicas wireless head set.

- Single diver input: two-pin 4mm terminal posts.
- Supplied with hand-held PTT microphone as standard.
- C-Tecnicas wireless headset compatible.
- Recording output.
- External speaker output.
- Transformer and opto-isolation to reduce interference

Specification

Dimensions

Exterior dimensions (L x W x H)
300 x 249 x 119mm

Weight

3Kg

Casing

Two press and pull latches
Lightweight Strong HPX Resin
Watertight

Power Supply

100 - 240v
50 - 60 hz
Built in rechargeable battery pack
50hrs of use

Standby Current

63mA

Nominal Frequency Response

400Hz to 10Khz

Audio Power Output

5W into 8ohm

Part No: CP1
